

RENT NOW, BUY LATER

*Buy a home with one of our
Agents and get Cash Back !*

We feel our tenants should be rewarded for renting their homes with us. We have been saving our tenants thousands of dollars by rebating a % of the purchase price to our tenants when purchasing a home just by using one of our agents as your Realtor. Use that extra cash to buy new furniture, put in the bank, or put towards closing expenses.

Contact us today to learn more about our tenant rebate program where we can rebate you back money towards the purchase of a home, or more importantly **guarantee your lease to allow you to terminate early without penalties** by utilizing one of our specialized real estate agents for your purchase.

DON'T LEAVE MONEY ON THE TABLE! USING A REALTOR TO REPRESENT YOU, COSTS THE BUYER NOTHING.

- You must register with one of our agents "before" visiting a new construction model home site. Always state that you have agent representation when visiting an open house or inquiring about a property listed for sale by another Realtor.

- Email Rentals@CFRMgmt.com or call 321.222.9262 for complete terms and information.

- Total rebate to tenant could vary depending on total commission amount paid by seller.
